

Performance Measures in House Bill 3202

Mary Lynn Tischer, PhD
Outcome Measures Subcommittee of the
Transportation Accountability Commission
April 23, 2007

Performance Measures in House Bill 3202

Amendment to § 33.1-23.03. Board to develop and update Statewide Transportation Plan.

- The Commonwealth Transportation Board shall conduct a comprehensive review of statewide transportation needs in a Statewide Transportation Plan ...
- *The plan shall include quantifiable measures and achievable goals.*
- *The Board shall consider such goals in evaluating and selecting transportation improvement projects.*
- *The plan shall incorporate the approved long-range plans' measures and goals developed by the Northern Virginia Transportation Authority and the Hampton Roads Transportation Authority.*

Performance Measures in House Bill 3202

Enactment Clause 5

1. Requires the same measures be developed by the Hampton Roads Transportation Authority and the Northern Virginia Transportation Authority.
2. Such goals shall be subject to the approval of the Commonwealth Transportation Board on a biennial basis.

Performance Measures in House Bill 3202

Required Measures

“quantifiable measures and achievable goals relating to”

- congestion reduction and safety
- transit and high-occupancy vehicle facility use
- job-to-housing ratios
- job and housing access to transit facilities
- job and housing access to pedestrian facilities
- air quality
- per capita vehicle miles traveled

Performance Measures in House Bill 3202

Finding

The performance measurement requirements in HB 3202 should be integrated into the Commission's final report and recommendations.

Performance Measures in House Bill 3202

Recommendation

The Multimodal office shall biennially prepare regional and statewide measures and targets for the Commonwealth Transportation Board to consider for use in evaluating and selecting transportation improvement projects and in the transportation performance report.
